

PLANO DAILY STAR-COURIER

Serving Plano and Southern Collin County Since 1888

PLANO, TEXAS, TUESDAY, MARCH 16, 1976

VOL. 88—NO. 138

FIFTEEN CENTS

UP Donors

The entire University of Plano baseball team turned out at the annual Plano Blood Drive yesterday to donate in the name of Becky Basset, a former UP student who recently died from complications after childbirth and left a deficit of several pints of blood. The drive will continue from 3 until 8 p.m. today, and all Planonites are urged to donate a pint of their blood to the city's account—from which all residents can draw. The drive is being conducted at the First United Methodist Church, 1111 18th St., and a nursery will be available for all participants. General criteria for acceptability of a blood donor is weight of at least 110 pounds, with no symptoms of heart trouble, hepatitis, malaria or malignancies. (Staff photos by Mike Newman).

Planoite Tabbed For County Post

Veteran Affairs Officer

Troy Corzine of Plano has been named Veteran Affairs Officer for Collin County, replacing Robert D. Ramsay, who retired because of ill health.

Corzine was named on a split vote of the Collin County Commissioners

Court, meeting Monday in the McKinney courthouse.

After a lengthy morning session, County Judge Nathan E. White Jr. announced that the commissioners were unable to come up with a decision on Ramsay's replacement, and

that an afternoon meeting would be scheduled.

The afternoon executive session lasted for almost an hour, then after reconvening, Commissioner Odell Rushing nominated Corzine, while Commissioner Bailey Dickerson nominated Gil Malone.

Both candidates received two votes, and Judge White broke the tie to give the nod to Corzine. Judge White was joined in his vote by Rushing and Commissioner W. C. (Bay) Sellers.

Corzine is expected to take office on April 1.

During the morning meeting, commissioners approved the appointment of Glenn Tilley as an ID officer for the recently approved County Major Crime Task Force. Tilley's salary was set at \$800 a month.

Commissioners also gave permission to P.E. Hirschfeld to install a waterline on county right-of-way, from Hughes Lane to Hightower Corner in Precinct 2.

Approval of an agreement with the Corps of Engineers to raise the level of Lavon Lake was postponed until the next meeting, so that commissioners can insure that no county residents will be cut off by the higher lake level.

Judge White announced that there will be no Commissioner's Court meeting on Monday, March 22, due to he and County Auditor Bill Eubanks being in New York City visiting the major bond rating services. The visit is in anticipation of the county offering \$6 million in courthouse and jail construction bond for sale within the next few weeks.

Harold Wilson Quits as PM

By JOSEPH W. GRIGG

LONDON (UPI) — In a surprise move that stunned the nation, Prime Minister Harold Wilson today announced his resignation effective as soon as his Labor party can elect a replacement — perhaps later this week.

The announcement, in a five-page statement from Wilson's office, came as a complete surprise. It weakened the pound and triggered dismay among British politicians and public alike.

"My period as prime minister has been longer than that of any of my peacetime predecessors in this country," the Wilson statement said. "No one should ask for more."

Wilson, 60 years old last week, has served 10 years in four terms as prime minister. He said his decision to get out and serve as an ordinary Labor member of parliament is irrevocable.

He informed Queen Elizabeth of the decision before issuing the statement. He asked the leader of the

Labor party in Parliament to call members together to elect a replacement as party leader and prime minister "with all reasonable speed."

A meeting was scheduled for tonight. Wilson resigned a week after left-wing members of his own party helped defeat his proposal to slash public spending to help Britain out of its economic crisis.

The defeat of his proposal led to a parliamentary vote of confidence on which Wilson staked his government. He won by 18 votes, but was furious at the revolt.

Opposition conservatives called for an immediate general election, something not required since it is the party and not the man who is elected in Britain.

Immediate speculation on a successor centered on Foreign Secretary James Callaghan, 64, a Labor party "moderate" and something of a "father figure" who could hope to hold together its constantly warring factions.

P&Z Denies Retail Zoning

Subdivision Residents Object to Proposal

An increase in the amount of retail acreage adjacent to Copper Creek Estates has been denied without prejudice until Baker-Crow Co. is ready to develop.

Planning and Zoning Commissioners were reluctant to grant the developer's request to extend the retail area to a creek after residents of the adjacent subdivision complained.

Officials agreed that the

change in zoning on the two acre parcel located south of Parker Rd. and between Custer Rd. and Country Place Dr. can be reconsidered when the firm has a development concept.

The annexation and zoning of a 217.4-acre tract south of Spring Creek Pkwy. and between Alma Rd. and US 75 was also tabled Monday night. Commissioners have called a work session for next week to consider

whether Spring Creek Pkwy. should be strip-zoned.

Leon Hodges Jr. has asked for 119.5 acres of SF-4 residential, 51.6 acres of light commercial, 24.3 acres of planned development office and 22 acres of full service retail.

Zoning cases gaining approval were the Los Rios North Addition, a 94.6 acre tract north and west of Plano General Hospital and a 46.7 acre parcel located north of

and adjacent to Hunters Glen III.

The latter property is also located north and adjacent to Custer Rd. Grover Hope received SF-2 residential zoning for it.

The new section of Los Rios contains 110 acres located north of Rowlett Creek and the Los Rios Golf Course. General Portland Land Development Co. received four acres of SF-1 residential, 15 acres of SF-2 residential, 41 acres of SF-3 residential, 16 acres of townhouse, 14 acres of 2F-1 duplex, three acres of 2F-2 duplex and 17 acres of full

service retail zoning.

The property owned by H. Lay and T. Crow and located on the southeast and southwest corners of Coit Rd. and Park Blvd. (old FM 544) will be used for 62.4 acres of SF-2 residential, 14.4 acres of planned development retail and 17.8 acres of planned development office. A specific use permit for restaurants was also granted.

Finally, the commission approved the final plat of High Place III, a 59.9 acre addition located on the northwest corner of Khyber Pass and Parkhaven Dr.

PD Arrests 16

In Weekend Activity

Plano police arrested 16 persons this weekend.

Those arrested included four on warrants, three for illegal entry, two for violation of curfew, two for criminal mischief, one for shoplifting, one for driving while intoxicated, one for carrying an unlawful weapon, one for public intoxication and one for theft.

Officers also took six reports of criminal mischief, recovered two bicycles and

answered 158 calls for assistance.

Also under investigation are seven residential burglaries, one motor vehicle burglary, four thefts and two bicycle thefts.

Nine persons sustained minor injuries in 11 accidents. Among the injured were Carl Bryan Moreland of 1314 Avenue F and Donald Monroe Risinger of 3621 Sherrye who were involved in a 1:30 a.m. Saturday

collision on FM 544 about 600 feet west of Westwood.

On Friday at 9:06 a.m. a 1975 Ford platform truck driven by Charles Rufus Johnson of 2412 Richmond and a 1974 Chevrolet driven by Robert Maurice Andrews of 3309 Avenue P collided near the intersection of Custer and Bengal. Both drivers were taken to Plano General Hospital.

Juanita Reynolds of Fort Smith, Ark., was also admitted to Plano General following the 1:12 p.m. collision of her 1974 Chevrolet and a 1972 Buick driven by Robert (Laud) Bland of Frisco. The accident occurred at the intersection of SH 289 and SH 121.

Robert Hall Bruce of Allen and Thomas J. Matthews, also of Allen, were admitted to the hospital after the collision of Bruce's 1965 Dodge with a 1970 Cadillac driven by David Bradley Beasley of 3429 Glenwood at the intersection of Avenue K and Glenwood at 7:22 p.m. Saturday.

Police officers drove Timothy Meyer of 2621 Webster Ct. and Elizabeth Smith Cline of 1613 Lakeside home after a 4:40 p.m. Saturday accident at exit ramp number 29 and the US 75 frontage road.

Meyer's 1962 Volkswagen, Cline's 1972 Toyota and a 1965 Ford driven by Steven Douglas Mitchell of Richardson were involved in the collision.

A 1972 Chevrolet driven by Bettye Love Wesson of 169 Cottonwood collided with a 1976 Mercury owned by Paul M. Page of 2001 Princeton at 2 p.m. Saturday on Carriage Lane about 300 feet south of Tree House.

idents occurred between 8:30 and 10:30 p.m. in the Fox and Jacobs, Huntington and Country Place Additions, primarily in new construction areas.

Anyone with any information about the opening of these plugs is urged to contact Threet who is investigating the problem. He said each open plug could be considered a separate violation of the city ordinance.

In addition to closing plugs, the fire department runs, extinguished six minor fires and rendered three miscellaneous services this weekend.

Fires reported included a grass fire across from 1716 Jasmine at 4:42 p.m. Friday, a grass fire on Kings Way at 12:44 a.m. Saturday, three car fires and a grease fire at 348 Fairway at 6:38 p.m. Saturday.

Plug Pranks Plague FD

Pranksters who enjoy seeing water rush out of open fire hydrants may find the joke is on them when they are slapped with a \$200 fine for unauthorized use of a fire hydrant.

Fire Marshal Bill Threet said today that firefighters were called out 10 times Monday night in a two-hour period to shut off the plugs which had been opened.

"Not only is this a waste of manpower for us," Threet pointed out, "but a special wrench is needed to operate a fire hydrant and several of these plugs have now been damaged. A couple of them have stripped nuts and if someone opens a plug and then attempted to close it, he might have seriously damaged the interior."

He said a fire hydrant must be turned off very carefully or damage can result to not only the plug but also the main.

The Monday night in-

Record Setter

Plano Senior High's Byron Kellar has qualified for the Texas Relays in the shotput competition. Kellar, a senior, qualified for the statewide prestigious track meet by throwing the shotput 57 feet, two inches in the Plano Relays held Saturday at the Wildcat cinders. Kellar's distance won first place in the nine-team meet and is a new school record. The Texas Relays are held annually and participants are considered the elite thinclads of the state. The Texas Relays will be held April 2-3 at Austin's Memorial Track. For complete information on the Plano Relays see Page 5 of today's Daily Star-Courier. (Staff photo by Mike Newman).

Briefs

Ray Running

SEATTLE (UPI)—Dr. Dixy Lee Ray, who resigned from the Atomic Energy Commission and then had it abolished, is seeking the Democratic nomination for governor of the state of Washington.

Dr. Ray, 61, said Monday she made the decision to run after "sounding out public opinion" on her chances.

She was appointed chairman of the AEC by then President Richard Nixon in 1972. The AEC was eliminated at her suggestion in June and its functions were transferred to the new Energy Research and Development Administration.

Last Walk

HOUSTON (UPI) — Astronaut Eugene Cernan, last American to walk on the moon before the lunar shots were stopped, said he is retiring and will leave the National Aeronautics and Space Administration July 1.

Cernan, 42, became an astronaut in 1963. He has logged 566 hours 15 minutes in space on three flights, including two missions to the moon. His Apollo 17 mission in December, 1972, was the last.

A captain in the navy, Cernan will complete 20 years of service in June. He did not say what his plans were.

Colson Forgives

SAN DIEGO (UPI) — Charles Colson said his former boss, Richard Nixon, is a national resource going to waste.

Colson told the San Diego Union he thinks of Nixon "as a kind of elder statesman, private citizen and troubleshooter in foreign affairs." Colson said, "We should thank God we have someone like him, despite Watergate."

Colson was one of Nixon's former top aides. He spent seven months in jail after pleading guilty to interfering with the defense of Daniel Ellsberg, v.no leaked the Pentagon papers.

Cornfeld's Box

LOS ANGELES (UPI) — Financier Bernard Cornfeld says he will plead innocent to charges he used a "blue box" to make long distance calls to Europe and not pay for them.

Cornfeld, 47, is being sued for \$1 million by the Pacific Telephone Company. He goes on trial April 27.

FBI agents, who raided Cornfeld's home in January, 1975, said they found two "blue boxes" — illegal devices that generate the same tones as the automatic telephone company equipment and bypass the billing circuits.

Mercer Recuperates

LOS ANGELES (UPI) — Songwriter Johnny Mercer is home recuperating from brain surgery after almost five months of hospitalization.

Mercer, 67, was released from Huntington Memorial Hospital in Pasadena Monday, when doctors said he was in "fair condition."

Mercer won academy awards for composing "Days of Wine and Roses," "Moon River," "In the Cool, Cool, Cool of the Evening," and "Atchison, Topeka and Santa Fe."

Waco-Bound

The five winners of the recent Our Little Miss and Miss La Petite Contests in Plano will be headed to Waco in June for the State Pageant, and they include (left to right) 11-year-old Stacey Travis, 10-12-year-old talent winner; nine-year-old Courtney Corry, Our Little Miss Winner; five-year-old

Scherry Lynn Owens, Miss La Petite winner; seven-year-old Kristi Leslie, 7-9-year-old talent winner, and (not shown) Melissa Paxton of Gariknd, 10-12-year-old winner. (Staff photo by Glen Carroll).

At A&M Center

Exercise Class Set

"If the first breath of spring gives you a burst of enthusiasm to jump into a strenuous exercise program, don't do it until you have paused long enough to determine your fitness level," says Uel R. Stockard, District Agent, Texas Agricultural Extension Service.

"Exercising for Heart, Health and Happiness" is

the theme of a workshop scheduled for the Texas A&M University Research & Extension Center on Coit Road, beginning on Thursday, March 25. Fitness tests will be given to determine each person's level.

Dr. Mike Pollock, director of Research for the Institute for Aerobics Research, who will conduct two of the meetings, points out that

most people exercise for the wrong reasons.

"Of course exercise improves our appearance, but the main reason for exercising is to improve our health. This should be our first consideration," he says.

The workshop will begin at 7:30 p.m. for three consecutive Thursdays.

"The importance of determining your own fitness level is extremely important before embarking on any kind of exercise program," Dr. Pollock points out.

Sometimes more harm than good can come from beginning an exercise program at the wrong level, he points out.

Dr. Pollock emphasizes that exercise appears to be a major factor in controlling many of the risk factors

related to heart disease.

Also, exercise plays a major role in the rehabilitation from heart attack.

"You will feel better, and look better if you exercise regularly," Dr. Pollock says.

Exercise vastly improves circulation and the vascular system throughout the body, he states.

Dr. George Jessup, assistant professor of Health and Physical Education at Texas A&M University, will determine fitness levels for each workshop member on April 1.

Individual blood pressure checks will be taken and a team of graduate students from the College Station campus will conduct modified fitness tests using six-minute bicycle exercises

Plano Produces FBLA Winners

Plano Senior High School senior Diane Gajdica placed first in senior clerical typing at the Texas State Future Business Leaders of America Convention held recently at the Baker Hotel in Dallas.

This marks the second year that Miss Gajdica has placed first in typing at the state level of FBLA competition, qualifying her for the National FBLA Convention.

Other PSHS FBLA winners include Lisa Springfield, second place junior clerical typing; David Briggs, second place bookkeeping; Mike Garrison, third place data processing, and Karen

Wood, third place Miss FBLA.

National FBLA competition will be held in Washington D.C. June 16-21.

The PSHA chapter of FBLA will be selling candy beginning Monday, March 22 for two weeks in an effort to raise money for the trip to the convention, to be attended by Diane and PSHA business teacher Mrs. Jenny McCall.

"We're really proud of Diane making it to Nationals two years in a row," commented PSHA business teacher Mrs. Diane Strawn.

"I'm looking forward to the convention, although there will be a lot of tough competition," said Miss Gajdica.

Ninth Graders Are 'Tag-Alongs'

Ninth graders at Haggard Middle School are becoming aware of various careers by "tagging-along" with practitioners on the job.

As participants in "Project Tag-Along," the students are surveyed on career choices and then grouped according to their choices, according to counselor Ray Oope.

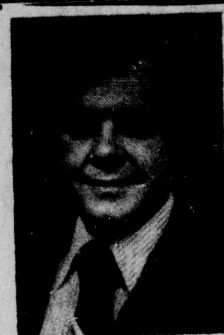

"We find volunteers in the community who have vocations similar to the student selections," Oope explained. "We then spend a part of the school day accompanying the volunteer to

receive 'on-the-job' information about the career."

Now in its fourth year under Oope's direction, "Project Tag-Along" is a follow-up to the one-quarter career education course that provides eighth graders insight into both high school career programs and future occupational choices.

PHILLIP L. NORTON, D.D.S. announces the opening of his office for the practice of General Dentistry in Dicker Center, 3900 W. 15th. For appointment call 424-4876 Hours: 8:30 a.m. to 5:00 p.m.

GOVERNORS' OFFICE OF TRAFFIC SAFETY

March 15-21

PISCES (Feb. 20 to Mar. 20) This is not a good time for absentmindedness. Be sure to look both ways before backing out of a driveway.

ARIES (Mar. 21 to Apr. 19) Freeway driving calls for anticipation and preparation on your part. Pay close attention to exit signs to avoid sudden lane changes and braking.

TAURUS (Apr. 20 to May 20) You are head strong, but you should pay attention to advice. Note the recommended speeds on curve signs.

GEMINI (May 21 to June 21) You may be feeling affectionate. Keep both hands on the steering wheel and your eyes on the road. Keeping your passenger safe is an act of love too.

CANCER (June 22 to July 21) Your timidity may make others impatient and prone to risk-taking. Don't be afraid to pass if the way is clear.

LEO (July 22 to Aug. 21) An aggressive mood may tempt you to tailgate. Don't yield to this temptation. Give yourself plenty of room to stop.

VIRGO (Aug. 22 to Sept. 22) You are on the defensive and that's good. You can avoid accidents by looking out for the other guy and stay alert for hazards.

LIBRA (Sept. 23 to Oct. 22) This is a good time to be seen. If you ride a bike, wear bright clothing and make sure your bike has the necessary reflectors and lights.

SCORPIO (Oct. 23 to Nov. 21) Dreary weather can put you in a gray mood. Pay attention to your driving in this bad weather and look forward to the comforts of home.

SAGITTARIUS (Nov. 22 to Dec. 21) Watch for surprises. Dogs and cats in quiet neighborhoods can cause you to swerve and lose control.

CAPRICORN (Dec. 22 to Jan. 20) Your procrastinations are a hazard to those who ride in your car. Don't wait another day to replace those slick tires.

AQUARIUS (Jan. 21 to Feb. 19) You have to see things clearly to do what's right. Make sure those windshield wiper blades do their job.

A Different Drummer

By
Rus Walton

What's your guess? How many Americans believe they have, and should have, the right to own firearms? Four out of ten? Five out of ten? Six?

Well, check this: According to a national survey completed late in 1975 and recently released, 82 percent of the American people insist they have the right to own a gun.

Furthermore, 76 percent of the citizenry is opposed to a ban on private ownership of handguns. More than 70 percent reject the idea of any laws that would give police the power to decide who may or may not own a gun.

Those are a few of the rather startling findings of a public opinion poll conducted by Decision Making Information. DMI is one of the top research firms in the US. Its list of clients include major industrial companies as well as political parties and candidates. Its record for accuracy in assaying voter opinion is well-established.

Here are additional measurements of national opinion on the subject of gun control as revealed by the DMI probings:

—Only 11 percent of registered voters believe that gun control would really reduce crime; 73 percent do not believe that a federal law requiring confiscation of guns would hold down the crime rate.

—70 percent disagree with the contention that registration of firearms would make it more difficult for criminals and potential criminals to obtain guns.

—55 percent of those heads of households acknowledging the ownership of a gun give self defense as the reason they purchased the firearm.

DMI's findings differ sharply from polls reported by Gallup, Harris and other survey firms. Those researchers have reported in the past that a majority of Americans favor gun control. Dr. Gary Lawrence, of DMI, attributes the difference to interview techniques.

Rather than simply ask respondents for "Yes" or "No" replies, DMI conducted in-depth interviews with 1,538 scientifically selected citizens. Each in-home interview lasted an average of 45 minutes and was complete with cross-check questions.

Strongest support for gun control came in New England. The stiffest opposition to gun control and registration was found in the southern and mountain states, rural areas and middle-income and middle-aged groups.

Title Winner

Oliver Runs For Trustee

R. Leigh Oliver of 5 Westvale Place in Plano is a candidate for Collin County School Trustee, Precinct 2.

A technical writer at Electrospace Systems Inc. in Richardson, Oliver participates in local, regional, and national activities. He has been active in local Jaycee and Boy Scout programs, and is serving as president of the Ridgewood Homeowners Assn. As Chief Warrant Officer, he is active in the Naval Reserve, having been, until recently, a member of Naval Reserve Research Company 8-12. He now serves as Executive Officer of Mobile Technical Unit III Unit III, Dallas.

"As the father of seven children, I understand the importance of education," he stated. "I think that maximum use of school facilities is a goal that must

be pursued and that the community should offer the highest quality education consistent with financial responsibility. I also think it important that education be offered to as many people of the community as want and can benefit from it.

"This will contribute to the solid, long-term growth of the community," he says, "since tax dollars well spent on education are returned to the community in increased earnings, property values, and prosperity."

Oliver is currently enrolled at the University of Texas at Dallas and at Grayson County College. He expects to receive an Associate of Arts in Business degree from GCC in May. His wife, Gene, also is working toward a degree at a local college.

Their oldest son, Randy, is enrolled in the University of Hawaii, and Ann is studying at the University of Texas at Arlington. The five younger children at home attend PISD schools.

R. LEIGH OLIVER

AR Sells Canadian Interest

An agreement by Atlantic Richfield Canada Ltd., (ARCAN) to sell all its interest in the Province of Saskatchewan, Canada to Saskatchewan Oil and Gas Corp. was announced by the two companies.

The sale price was approximately \$23 million, subject to final adjustments. The sale includes all of ARCAN's wells, production, equipment and facilities, crude oil and natural gas, transmission pipelines, petroleum and natural gas leases, surface leases, and easements, in Saskatchewan.

ARCAN is a wholly-owned subsidiary of Atlantic Richfield Company of Los Angeles.

To Yellowstone Park

UTD Planing Trip

Yellowstone National Park will be the destination for students at the University of Texas at Dallas wishing to combine study with pleasure.

The Science Education Program at UT-Dallas is planning a summer field trip to Yellowstone during its first summer session, lasting from June 1 to July 9.

Up to nine semester hours of college credit will be available in various areas including field biology, applied ecology and area geology. Travel will be made by bus and accommodations are arranged in K.O.A. campgrounds and national parks.

Cost for the trip ranges from \$175-\$200, depending on the group size. Extras include tuition, eating meals, sightseeing fees, and other personal expenses. This

includes a contingency fee which is refundable in whole or part upon return of the tour.

The trip will cover Amarillo, Buffalo Springs, Garden of the Gods, Leadville, Green River Oil Shales, Dinosaur National Park, Jackson, Wyo., Janny Lake, Yellowstone National Park, Pahaska Teepee, Buffalo Bill Museum, Wind

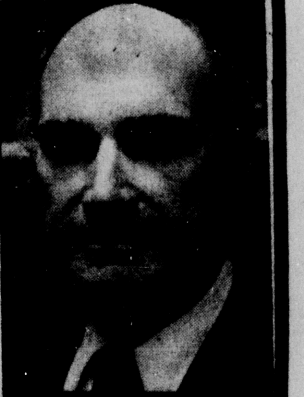

River Indian Reservation, the Denver area, and Raton Pass.

Deposit deadline will be April 1 and reservations will be taken on a first come—first serve basis. Only a deposit will constitute a reservation.

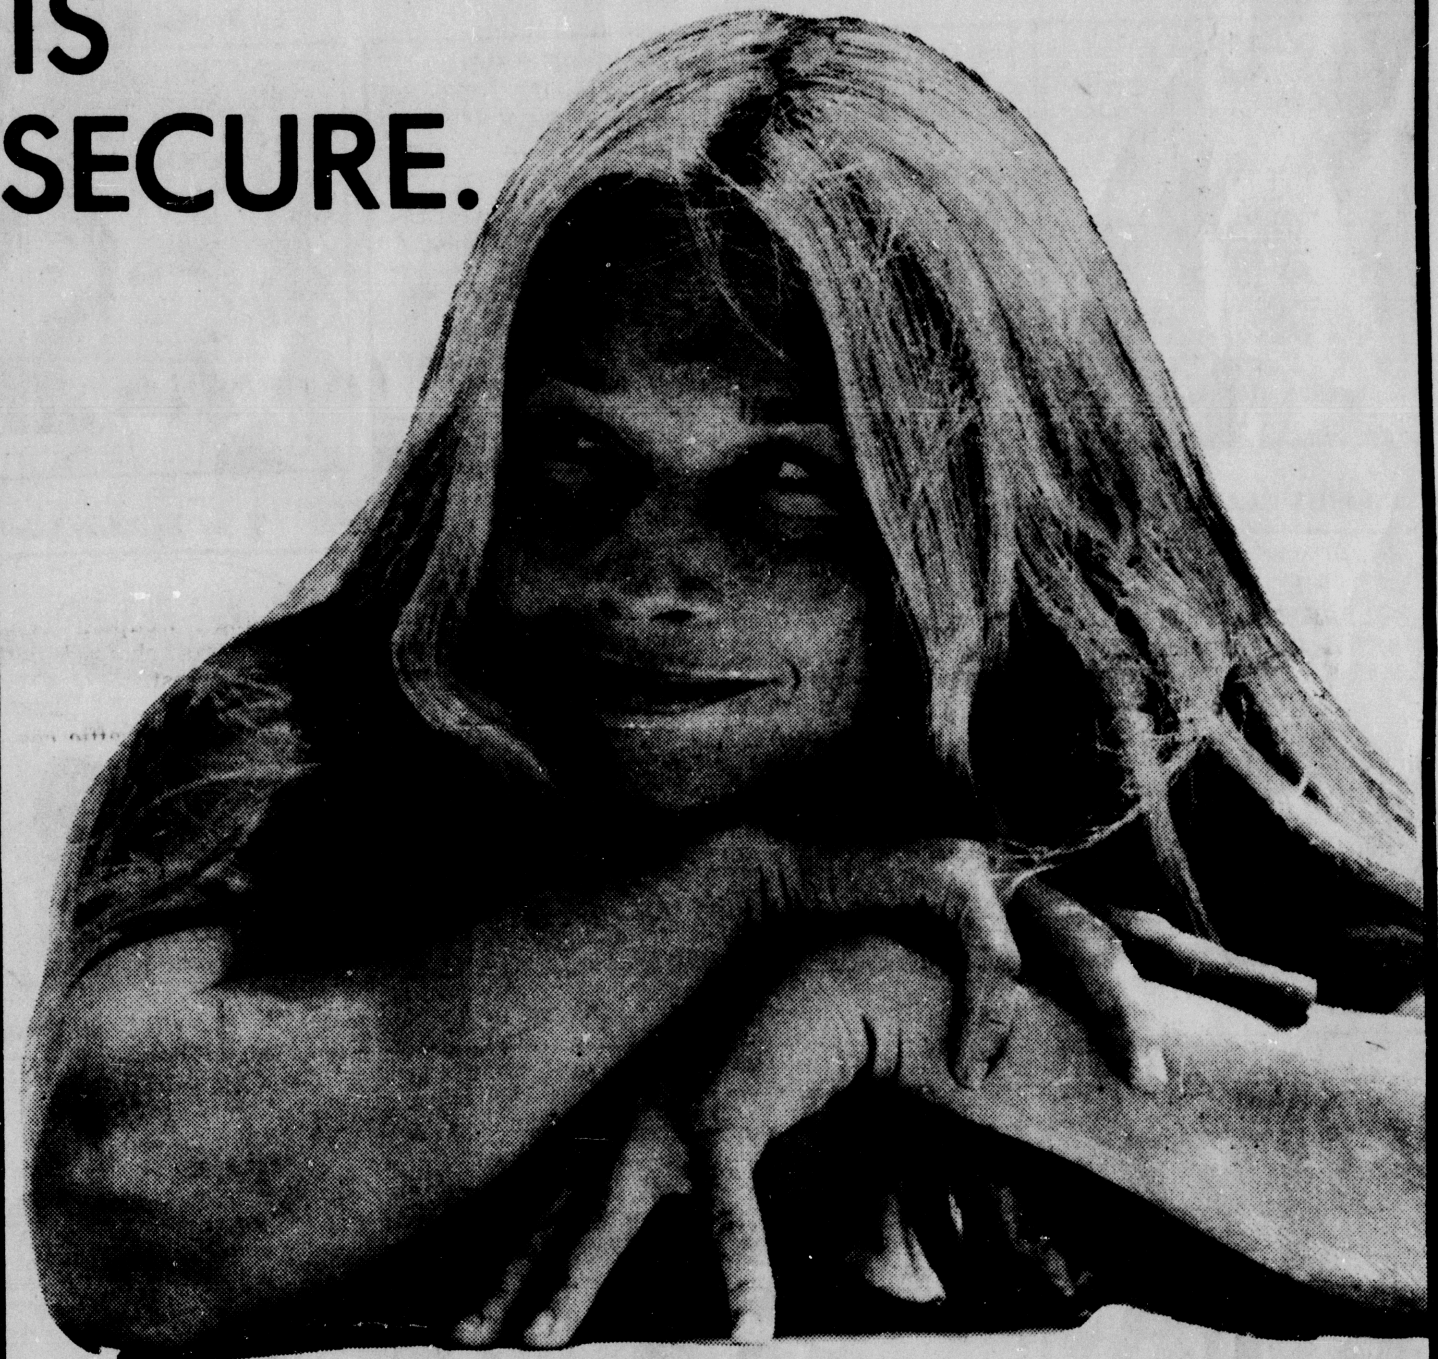

For more information for contact the UT-Dallas Science Education Program at 690-2496.

TEXAS 1876

Mar. 10-17, 1876.

NUECES COUNTY — The GAZETTE has learned that the gigantic efforts of Captain King to move 30,000 head of cattle to Kansas have met with severe reverses, caused by stampedes among his herds during the unpleasant weather.

GALVESTON — Gen. Tom Thumb and his little wife, together with Miss Minnie Warren and Major Newell, drew a good house last night at the Tremont Opera House. As usual, the little folks won liberal encomiums on their acting and vocalisms.

AUSTIN — Col. A. M. Hobby and J. W. Jennings have been selected as commissioners to represent the State of Texas at the Centennial Celebration to be held in Philadelphia.

CALDWELL COUNTY — A military company has been organized at Luling for the purpose of protecting the town from desperate characters, who fire into buildings and endanger the lives of peaceable citizens.

GALVESTON — The City Clerk is after the barbers, about 19 of them, for their occupation licenses, on which he allows no shaving.

ANDERSON COUNTY—A great amount of building is going on. Two-thirds of Palestine has been built in less than two years.

SAN SABA COUNTY — Last week we had application for 55,000 acres of land for one party in Illinois, 5000 for a sheep rancho, and 50,000 for a colony.

TRAVIS COUNTY — A number of wagons, loaded with cross-ties, from the mountains, arrived here Wednesday.

EASTLAND COUNTY — This county is sending coal to Waco by wagon. It crops out in many places and is probably abundant. It burns well and is regarded as a good article.

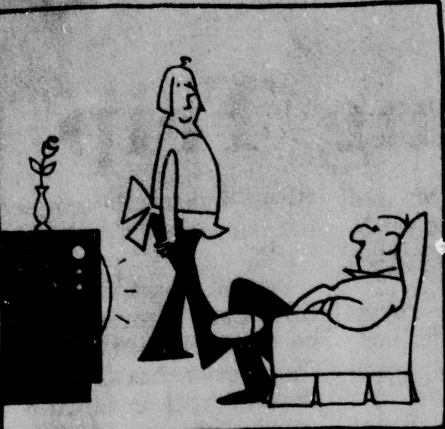

BURNET COUNTY — The BULLETIN says young grasshoppers have hatched out in some portions of the county as thick as sands on the seashore, and seem to have sealed the destiny of the wheat crops in some portions of the county.

AUSTIN — An enterprising merchant here received forty pairs of shoes through the mail. They came in forty separate packages. Few people know the amount and variety of goods sent by mail.

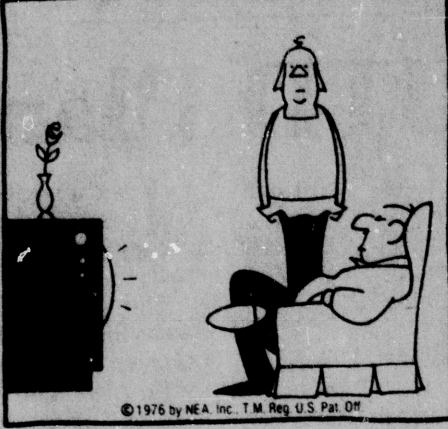

Advertised in the GALVESTON NEWS — Fred Meyer's — Headquarters for Good Things. Fred Meyer's, next to the corner of Center Street, on Market, in a regular rendezvous for epicures, and those who keep their larder well stocked with choice groceries. He imports fine wines, pickles, preserves and cheese, and keeps an assortment of first class staple goods.

Crocheting rugs from plastic bags

By Polly Cramer

Polly's Problem

DEAR POLLY — I have many plastic bread bags and would like to make something out of them. Someone told me rugs can be crocheted out of such bags and I would like to know how. — MRS. E.L.
DEAR MRS. E.L. — I, too, have heard of crocheting rugs out of plastic bags and also of braiding them. I am sure some of the readers who have done this will be sending directions we can pass on to you. — POLLY.

DEAR POLLY — My Pet Peeve is with my new range. I wish I had stayed with my 1941 model. It worked perfectly. I am sure my new one will not work 34 years from now. I would like to warn others not to be as dumb as I was and buy a range with the controls down low and behind the burners. Mine requires putting my hands in the steam from the tea kettle in order to regulate the heat or to remove the kettle from the burner. Emphasis these days is on safety, so it seems a stove should be outlawed that is as dangerous as mine is. It took me over 40 years of housekeeping to realize that the small toothbrush I keep by my sink for cleaning hard to reach places was also the best answer to cleaning beaters of any kind. Someone suggested making slits in a rubber spatula for this job, but my toothbrush is faster and easier. — MRS. J.A.G.

DEAR POLLY — To make a nice gift for a grandchild or other loved one, buy a post card size picture frame at the "dime" store, cut a piece of velvet to fit in it and place Bicentennial coins on it. Two half dollars, two dollars and two quarters can go on this, one of each with heads up and the others with tails up. I made a hinge of clear plastic tape to hold the coins in place, until I got them arranged in the frame. Then I put a bit of glue on the back. This keeps a child from playing with the coins or being tempted to spend them. They will really appreciate such a gift years from now. — KATE.

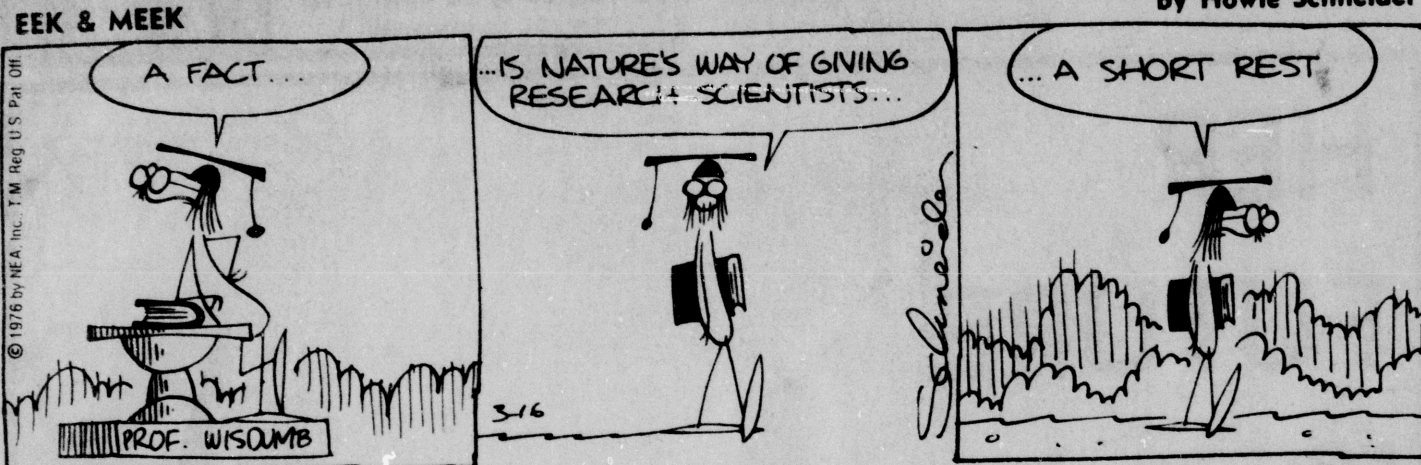

DEAR POLLY — To get my glass baking dishes sparkling clean, I use a little oven cleaner (rubber gloves on) to remove that old baked-on grease. This does not scratch the dish either. Instead of peeling carrots, I scrub them with a new stainless steel pot scrubber so I save all those vitamins just under the skin. Makes the job go faster, too. — NORMA.

DEAR POLLY — When handbasting I put one end of the collar or whatever under the presser foot of my sewing machine to hold the parts taut while sewing. — LEONA.

Bernice Bede Osol

fail to grasp the solution.

SCORPIO (Oct. 24-Nov. 22) Don't prejudice situations today. You have a tendency to see things as you'd like them to be, when it's advantageous to recognize them as they are.

TAURUS (April 20-May 20) Do everything in moderation today. Don't overdo it, whether working, playing, socializing, eating or drinking.

GEMINI (May 21-June 20) If you're approached with a speculative proposition, tell the person to come back tomorrow. Today you're apt to be taken in by the frosting on the cake.

CANCER (June 21-July 22) Pride may prompt you to promise something beyond your ability to deliver today. Being realistic will save embarrassment later.

LEO (July 23-Aug. 22) You may be tempted to embellish facts today to make a better story. Stick to your straightforward manner. Others can sense a put-on.

VIRGO (Aug. 23-Sept. 22) Be cautious in shopping or bargaining today. You're not as sharp as usual. You could save pennies, squander dollars.

LIBRA (Sept. 23-Oct. 23) It's wise to view a problem from all angles. Today you could become obsessed with so many alternatives you could

SAGITTARIUS (Nov. 23-Dec. 21) You could become so totally immersed in the activities of others today that things you really want to do will go by the boards.

CAPRICORN (Dec. 22-Jan. 19) It's a day when you can depend only on No. 1. Delegating jobs probably will not work out.

AQUARIUS (Jan. 20-Feb. 19) Define clearly the price and desired results of any service you're paying for out-of-pocket today.

PISCES (Feb. 20-March 20) Don't let anyone assume control of your resources today just because you don't want to fuss with details. It's a luxury you can't afford.

your birthday
March 17, 1976
You may receive some interesting propositions this coming year, but don't jump at anything you're not sure of. If in doubt, consult experts in the field.

Bishop Dunne Wins Plano Relays

Two Meet Records Broken

Two new meet records were established as Bishop Dunne scored 113 points in topping a field of nine teams in the annual running of the Plano Relays held Saturday at the Wildcat cinders.

Bishop Dunne scored only two first places in the mile relay

PLANO RELAYS RESULTS

Long Jump: McGar, Lewisville, 21'0".
Shotput: Kellar, Plano, 57'2".
High Jump: McAlister, Berkner, 6'4".
Discus: Wood, Lewisville, 148'11".
Pole Vault: Staley, Highland Park, 13'0".
Two-Mile Run: Engleman, Lewisville, 10:01.9.
Sprint Relay: Mesquite, 43.8.
120-Yard High Hurdles: Robinson, Bishop Dunne, 14.9.
100-Yard Dash: Maddox, Mesquite, 10.3.
880-Yard Run: Elwonger, North Mesquite, 1:57.5.
440-Yard Relay: Jones, North Garland, 50.7.
220-Yard Dash: Turner, Highland Park, 23.0.
330-Yard Intermediate Hurdles: Bechtold, Plano, 40.5.
One-Mile Run: Lautenslager, North Mesquite, 4:26.3.
Mile Relay: Bishop Dunne, 3:27.4.

TEAM TOTALS: Bishop Dunne 113; Mesquite 78; Plano 74; Lewisville 54; Berkner 56; North Mesquite 46; Highland Park 44; Jesuit 33; North Garland 18.

SOPHOMORE TOTALS: Mesquite 137; North Mesquite 88; Lewisville 77; Bishop Dunne 63; Plano 56; North Garland 45; Berkner 22; Jesuit 4; Highland Park 0.

and high jump, however, their depth gave them a distinct edge in points.

The new meet records were established in the mile run and the high jump.

North Mesquite's incredible distance runner, Greg Lautenslager, went the one mile distance in 4:26.3 for a first place finish and a record setting time. The old record was held by Lancaster's Wallace, 4:30.7, set in 1970.

Greg McAlister of Richardson Berkner set the new record in the high jump, going 6-4 for first place. The old record was held by Blanchard of Grand Prairie at 6-2½, set in 1972.

In final team standings, Bishop Dunne's 113 points proved tops as Mesquite scored 78 points followed by host Plano with 74 points.

Fourth place was won by Lewisville with a 64 point total, followed respectively by Richardson Berkner with 56 points, North Mesquite with 46 points, Highland Park with 44 points, Jesuit with 33 points and North Garland with 18 points.

Two First for Plano

In capping third place in their own meet, Plano Senior

High's Wildcats won two first places.

Byron Kellar established himself as one of the state's best shotputters in recording a 57-2 mark for top honors in that event. Kellar's distance also established a new PSHS record.

The old record was held by Kellar and established only one week ago in the North Garland Raider Relays. That distance was 55-2.

In addition to setting a new record and winning first place, Kellar's shotput performance qualified him for the Texas Relays to be held April 2-3 in Austin. That meet is reserved for the state's elite thinclads and only shotputters capable of 55-foot and better distances will participate in that event.

Plano's other first place was garnered by move-in John Bechtold in the 330-yard intermediate hurdles with a 40.5 times.

Other Places

Plano had several other personnel place in the meet in totaling their 74 points.

Mike Timm took third in the pole vault with a 12-6 jump.

High jumper Keith Clayton, the reigning District 13-AAAA champion, took third place with a 6-foot performance.

David Blakley won dual fourth places for the Wildcats. Blakley won fourth in the shotput with a 49-10 toss and also took fourth in the discus with a 137-6 mark.

In the two-mile run, Darrin Wagon was sixth in 10:29.4 and in the 440-yard dash Brian Neville placed sixth in 52.0. In the 220-yard run Walter Ford went 23.9 for sixth place.

Plano's 440-yard relays team won third with a 44.1 timing. Team members were Bechtold, Ford, David Plemons and David Swenson.

In the 880-yard run, Plano didn't place any runners despite the excellent time of Gary Mattox of 2:04.9. In the 100-yard dash, Swenson won fifth and Plemons was sixth with identical 10.4 times.

Plano's sophomore distance runner Ricky Banks took fourth in the mile run with a 4:41.0 time.

In the mile relay, Plano won third in 3:29.1. Team members were Neville, Junior Compass, Bechtold and Swenson.

'Shor Thang'

Saying It In Texan

DALLAS (UPI) — 'Fess up, John Wayne. Tell two generations of Wild West fans you ain't really a Texan, although your accent is rat nass.

Wayne, and untold thousands of other actors, drawled their way to fame and fortune impersonating the original U.S. hero — the cowboy.

A prerequisite for anyone impersonating a cowboy is being able to talk like one, or at least like the rest of the country thinks a cowboy should talk.

Dr. Harold Weiss, who teaches phonetics at Southern Methodist University, said there are 15 major dialects in the United States, but basically the speech patterns are Southern, New England and Midwestern with regional variations.

This contradicts a basic belief in many parts of the country — a belief perpetuated by Texans — that the method of oral communication in the nation's second largest state is a

language all its own. Take, for example, a piece of dialogue from Santa Fe, N.M., author Richard Bradford's novel, "So Far from Heaven."

"Ah, you're from Texas. I would never have guessed it. Where did you learn to speak English?" one of the characters, a New Mexican, asks the novel's hero.

"Remedial speech class at Rice University. I kept pebbles in my mouth for three years."

"Can you do the accent? It always breaks me up. I think it's funnier than Yiddish."

"Shore uh kin," the hero replies. "Ah kin say purt near anything yew lak in Texin but Uh cain't talk Meskin for sour dawg hockey."

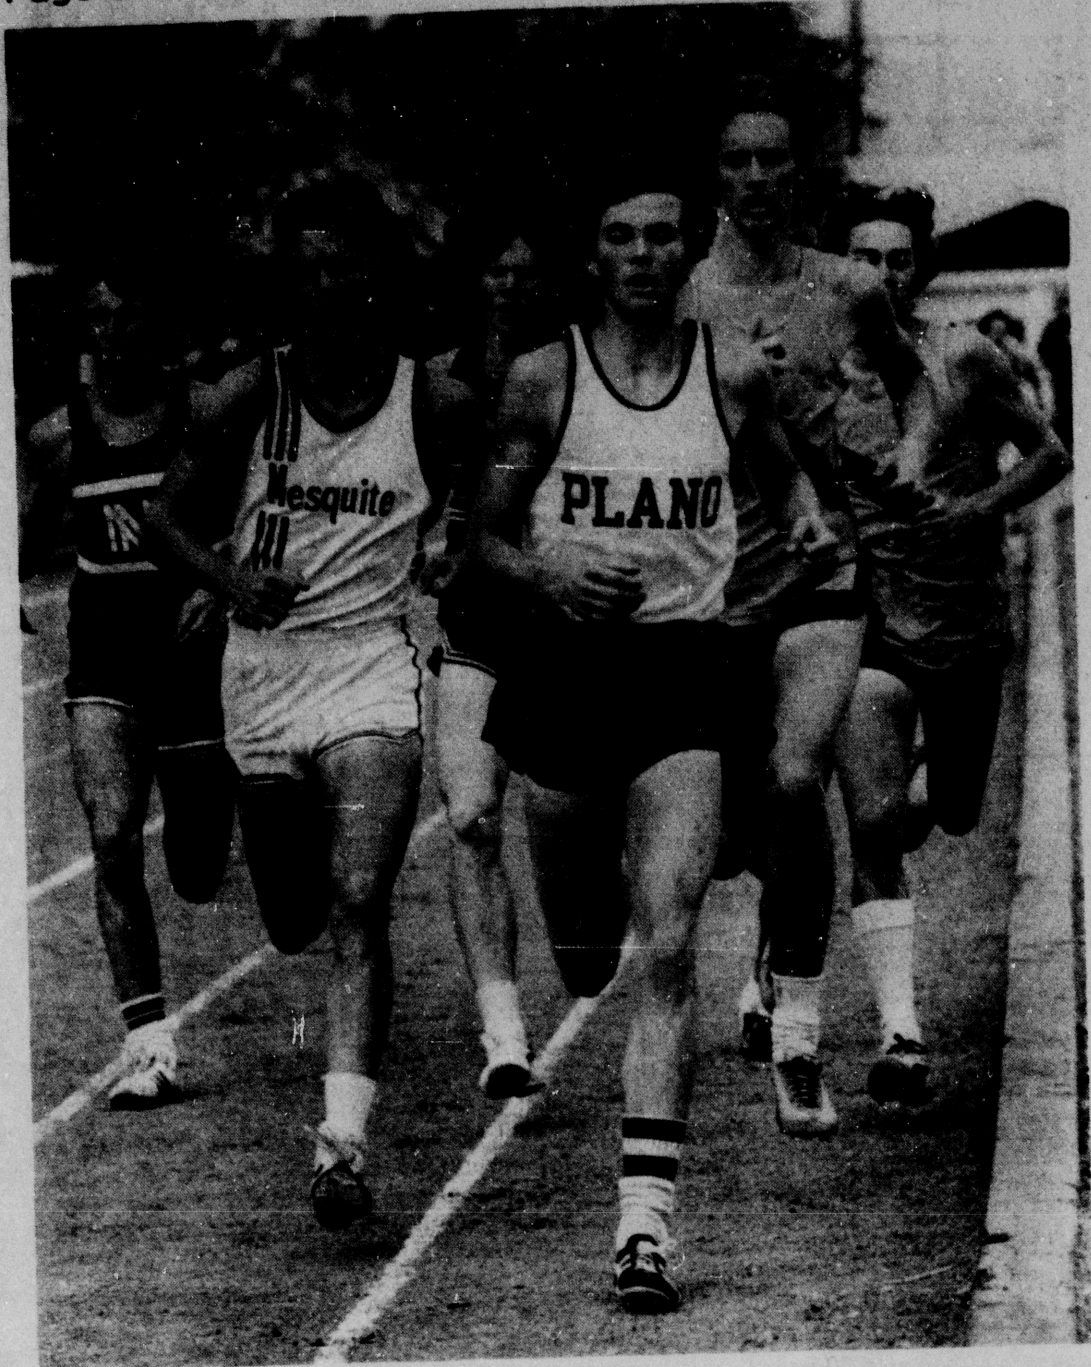

The implication is that Texan is a separate language, perhaps in the same relationship to English as French is to Spanish.

But Weiss said it isn't true. "Texas is not a language, it's a conglomerate. It's a big state, people have come and gone," he said.

Basically, the Texas accent is Southern. The state's early settlers came from the South, mainly Tennessee and Alabama, with some from Kentucky and Georgia. And their linguistic heritage lingers.

But, as Weiss said, Texas is a big state. It's 821 miles from El Paso east to Texarkana and 784 miles from Amarillo south to Brownsville. Topography varies from the wooded hills and swamps in the east to the arid plains and barren mountains in the west; from the semitropical Lower Rio Grande Valley in the south to the temperate climate in the north.

Like the land, the people and the accents also differ. The East Texans, for example, have retained more of the

'B' Team Results

Plano received several standout performances in the Sophomore division of the meet. Plano won fifth. Andy Sanders paced the Wildcats with a first place finish in the 440-yard dash of 53.4. That is a new record for the Plano Relays.

Tim Braden also established a new Sophomore division record in the shotput by throwing 45-2½ for first place.

In other events, Plano's 440-yard relay team of Sanders, Leroy Aparicio, C.M. Pier and Terry Hill placed second in 46.0. Don Lasawyer took sixth in two events, the 120 high hurdles in 17.1 and the 330-yard intermediate hurdles in 34.8.

Dennis Troy capped fourth in the 880-yard run in 2:12.4 and Mark Singer won sixth in the discus with a toss of 112-3 and three-fourths.

Larry Albertson went 24.6 in the 200-yard dash for a fifth place and Comach won sixth in the mile run in 5:08.7.

Master's Mile

In the Master's Mile competition for persons over 30-years of age, David Wilson, 2917 18th St., was a dual winner.

Wilson had the best time for the mile in 5:02.3 and also came closest to predicting his own time. Wilson predicted 4:55.0.

Also participating in the event were Ray Bowden, second in 6:05.4; Gerald Campbell, third in 6:15.9; Gilbert Lundy, fourth, in 6:23.7; and Carl Elder, fifth, in 7:02.9.

Over Mesquite Mules

Plano On Top 3-2

The Plano Men's Soccer Club team, sponsored by Dos Amigos Restaurant, won their second straight North Texas Premier Soccer League game Sunday, 3-2, over the Mesquite Mules.

The Plano team had only 11-men and coach Jimmy Little was forced into the role of a player, and playing well at left halfback.

The first half was only 15 minutes old when the Mules scored on a sleeping Plano defense. Ten minutes later, the Mules got another goal to up their lead to 2-0.

Plano woke up following the second Mule score and

responded with a goal by Charlie Yole off a pass from Lonnie Patterson.

Plano tied the score at 2-2 after three minutes had elapsed into the second half.

Glenn Horstdaniel was hipped inside the penalty area and the ensuing penalty kick was made by Doug Neeley.

Seven minutes later, Plano took the game's lead at 3-2 as Plano goalkeeper Bill Ucherek punted deep inside the Mule's territory, where Yole kicked the ball into the goal.

The Mule's had a chance to tie the score up at the 20

minute mark, but failed. A "hand" call was made against fullback Henry Frye in the penalty area and on the attempted penalty kick, the ball went wide.

The reason behind the penalty miss by the Mules was probably the antics of Plano's goalkeeper Ucherek. Before the kick was made he dusted off the kicking area and gave a hip-swivel to unnerve the Mules' kicker.

With Plano's victory, they hold first place with their next game Sunday, March 21 at Berkner High School at 1:30 p.m.

Plano OJ's Win

The Plano women's soccer team, the OJ's, won their second of ten league games, Sunday at Reilly Field against the Dallas East TexAnns.

The score was 4-1 with 3 goals credited to forward Judy Thompson and 1 goal going in off the strong foot of halfback Rayla Allison. The women put it all together for a good team effort.

Due to the coaching advice of Margaret Carpenter and JoAnn Willis, the team worked hard throughout the entire game. The defense had a good workout periodically and halfbacks Kathy Tone, Rayla Allison

and Ruthe Stovall aided by fullbacks Donna Elias, Florence Marks, Alic Stroh, Fran Hammon an Maragaret Carpenter allowed but one goal to get through.

Goalie Carol Smith played a super game also.

The OJ's have two games here on their home field at Mendenhall Elementary this week. The first will be Wednesday, March 17, at 8:30 p.m., when the OJ's will play the Farmers Branch Cyclones. This is a makeup game from Sunday, March 7, which was cancelled due to the rain.

Then on Sunday, March 21,

the OJ's meet the Dallas East Soccer Widows at Mendenhall Field to play what should be an intense game starting at 3:30.

The OJ's who are sponsored by Dean Thompson of NorthPark Orange Julius, invite all Plano soccer enthusiasts to come out to these home games and cheer them on.

Stevenson Elected Bass Club President

Mark Stevenson, 1712 Japonica, has been elected the 1976 President of the Plano Bass Club.

Stevenson was elected at the group's February meeting.

Also elected to positions at the meeting were Monte Coleman as vice-president, Tex Winters as secretary-treasurer, Jerry Beavers as tournament director, Stevenson as door prize

chairman, Stevenson as program director, and Jim Starnater as Sgt. of Arms.

Next meeting for the Plano Bass Club will be Tuesday, March 16 at 8 p.m. at the First National Bank's Community Room.

At that meeting, discussion will center on the Bass Club's March Tournament to be held at Lake Pat Mayse, March 20-21 out of Forrest Point.
